Re: *High-Cost Universal Service Support*, WC Dkt. No. 05-337; Connect America Fund, WC Dkt. No. 10-90

Dear Ms. Dortch:

On July 24, 2012, Frontier Communications Corp. filed to accept all of its eligible funding from Phase I of the Connect America Fund.<sup>1</sup> By accepting all eligible funding, Frontier pledged to serve 92,877 qualifying locations by July 24, 2015. At that time, Frontier committed to provide latitude and longitude information for each of the 92,877 locations for which it accepted support within one year.<sup>2</sup> Frontier hereby provides this updated information today.<sup>3</sup>

The attached file updates by 2010 Census Block FIPS code, NECA Company Code (OCN), wire center CLLI code, and latitude and longitude each of the locations to which Frontier currently plans to deploy in satisfaction of its CAF Phase I requirement. Frontier will have deployed to 67% of these locations by July 24, 2014, and 100% by July 25, 2015.

Please feel free to contact me with any further questions.

<sup>1</sup> Letter from Michael Golob, Senior Vice President, Engineering and Technology, Frontier Communications, to Marlene H. Dortch, Secretary, FCC, WC Dkt. Nos. 05-337, 10-90 (filed Jul. 24, 2012) ("Acceptance Letter"). The initial certifications from the Acceptance Letter remain in effect with today's submission. *Id.* at 3.

<sup>2</sup> Frontier's submission today contains 93,023 locations, 147 above the required number, due to the configuration of Frontier's deployment plans.

<sup>3</sup> Subsequent to the Acceptance Letter, Frontier has twice updated its census blocks targeted for deployment. As with the previous updates, the initial certifications from the Acceptance Letter remain in effect. *See* Letter from Michael D. Saperstein, Jr., Frontier Communications, to Marlene H. Dortch, Secretary, FCC, WC Dkt. Nos. 05-337, 10-90 (filed Sep. 4, 2012); Letter from Michael D. Saperstein, Jr., Frontier Communications, to Marlene H. Dortch, Secretary, FCC, WC Dkt. Nos. 05-337, 10-90 (filed Sep. 24, 2012). These updates were in accordance with the Commission's Order stating that "carriers may, in satisfaction of their deployment requirement, deploy to eligible locations not identified in their notices of acceptance, but will be required to identify subsequently where deployment actually occurred." *Connect America Fund, et al., W.C. Dkt. No. 10-90 et al., Order*, DA 12-1155, at ¶ 5 (rel. July 18, 2012). Today's filing contains further edits. Accordingly it supersedes and replaces Frontier's previous filings entirely.
